Oct 2023 - Apr 2024 (Internship)

Crowdpolicy
Full-Stack Developer (Primary: Frontend, Secondary: Backend)

Apr 2024 - Apr 2025

- Developed and optimized the frontend using Next.js, React, and Tailwind CSS.
- Implementation of responsive UI/UX design in the frontend, ensuring an excellent user experience.
- Contributed to the development and improvement of RESTful APIs.
- Collaborated with cross-functional teams (designers, backend developers, product managers) to develop new features and debug issues.
- Implemented authentication & authorization using JWT for secure user access.
- Developed backend functionalities with Prisma, managing data and authentication flows.
- Basic proficiency in Docker for managing and running containerized applications.

Projects

2024   **Crowdapps**

A cloud-based platform for municipalities and local communities, enabling communication and data management through WordPress CMS.

- **Technologies:** Next.js, Headless WordPress
- **Role:** Developed the frontend and integrated with the WordPress API for dynamic data retrieval.

2024   **CityOn Passes**

A digital pass management platform that allows administrators to create, approve, or ban passes (PKPass & Google Pay).

- **Technologies:** Next.js, Prisma, PostgreSQL
- **Role:** Developed the frontend and server-side routes for data management.

2024   **Frontend for a major company's competition**

Developed an interactive frontend for a competition held by a major company in the energy sector.

- **Technologies:** Next.js, Tailwind CSS
- **Role:** Implemented UI/UX with responsive design.

May 2021 – Aug 2021   **Montezuma**

Waiter

- Shared knowledge of menu items and flavors, enabling customers to make personal decisions based on taste and interest.
- Collaborated with kitchen staff to facilitate prompt and accurate food preparation.
- Met with chef to review daily specials and menu changes.
- Maintained customer satisfaction by clarifying questions about orders.
- Remained calm and poised when dealing with difficult customers or during busy shifts.
- Trained new servers on restaurant policies and procedures.
